DETAILED ACTION

Information Disclosure Statement

1. Receipt of the Information Disclosure Statement filed by the applicant on December 05, 2003 is acknowledged and has been considered by the examiner. A signed and initialed copy of the PTO-1449 is included with this office action.

Allowable Subject Matter

2. Claims 1-25 are allowable.

3. Claim 1 is allowable because the prior art of record, taken alone or in combination, fails to disclose or render obvious a polarization control system comprising a beam source generating a first beam of light with a first polarization and a first frequency and a second beam of light with a second polarization and a second frequency, a polarization state modulator positioned to receive the first beam and the second beam, and a detector system receiving a portion of the first beam and a portion of the second beam generating a beat signal which is received by a controller to generate a control signal for the polarization state modulator, in combination with the rest of the limitations of claim 1.

4. Claims 2-25 are allowable because they are dependent on independent claim 1, or an intermediate claim.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
